

Request for Financial Assistance

Dear Patient and Family:

In keeping with our mission and core values, we are committed to providing health care for people regardless of their ability to pay.

Financial Assistance:

Medical bills may be difficult to pay. Patients who are unable to pay for all or part of their health care services may apply for financial assistance by completing and returning this form. Patients and families who meet certain income requirements may qualify for free care or reduced-price care based on their family size and income, even if they have health insurance. Any determinations to provide free or reduced-price care will be solely in Christian Family Solutions' exclusive judgment.
